

Automatic refill program

Never worry about refills again.

The Hassle-Free FillSM program is an easy way to get automatic refills for the medications you take regularly.

When it's time to refill your prescription, we'll automatically:

- Contact you to let you know your order will ship soon
- Bill the amount due to the approved payment method on file
- Send you a 3-month supply of your medication to the address you provided

Take advantage of automatic refills and home delivery.

Our automatic refill program is a great reason to use home delivery through OptumRx. Not only is home delivery safe and reliable, it also offers these advantages:

Cost savings: You may pay less for your medication with a 3-month supply.

Convenience: Get free standard shipping on medications delivered to your mailbox.

24/7 access and reminders: Speak to a pharmacist any time, any day. Even set up text and email reminders to help you remember to take or refill your medications.*
