

LEISURE GUIDELINES

Take advantage of a special **leisure** discount at National, Enterprise and Alamo when you reference **Account Number**

This special offer is valid for company travelers only!

Emerald Club members are eligible to use their Emerald Club member number for leisure reservations at National Car Rental and Enterprise Rent-A-Car. When booking by phone or direct on our website, be sure to remove your company assigned account number and manually apply Account Number to your reservation. Travelers are only entitled to use their company assigned account number for business use. Please note if your business account number is used in error for leisure use, any insurance related benefits will not apply.

Leisure rentals will require a personal method of payment.

Click your preferred brand below and book today!

**When booking direct through a link below, the Account Number will automatically be applied to your reservation.*
