

SmileDirect Club is part of MetLife's dental network

Here's something that will make you smile...

We think dental benefits should make your employees smile. That's why we've added SmileDirectClub's providers to our PPO network, which allows for new member discounts—whether your plan includes orthodontia coverage or not.

Founded in 2014, SmileDirectClub helps people transform their smiles with customized clear aligners sent directly to the patient. With each transformation overseen from start to finish by licensed dentists and orthodontists, SmileDirectClub offers a convenient and cost-effective treatment option for your employees.

Here's the good news. Your MetLife Dental benefits make it easier and more cost-effective for employees to choose SmileDirectClub.
